

High Bridge Management Academy - Generalist Associate

Remote & flexible: This is a part-time (10-20 hrs/week) contractor role

[High Bridge Management Academy](#) offers leading virtual bootcamps that are delivered by a team of 50+ ex-McKinsey, Bain, and BCG consultants. High Bridge is dedicated to [bringing elite interview and consulting skills to young talents](#).

Our mission is to make young talent and ambitious professionals prosper, and **Our vision** is to be the #1 career partner for high-achievers and to offer organizations a world-class talent pool!

We have **exciting new missions** starting at High Bridge on a monthly basis! If you are eager to **develop yourself in a high-performing environment** and want to **work with a great team of aspiring people like you**, this is a great opportunity. Our previous associates have gotten job offers at top consulting firms (e.g., McKinsey, Bain, and BCG)!

What is it like working at High Bridge?

High Bridge's core values are: Courage, Focus, Discipline, Reflection, and Caring Alliance. We conduct quarterly reviews to check how everyone is doing and how we can help each other grow. We are committed to developing you. You will receive coaching, get feedback, and learn important lessons that will benefit the rest of your career. As a Highbridger, you get access to our internal training as well as some great perks (such as case practice with Flavio/other MBB faculty members, premium access to the Case Interview App, CV/resume review, etc.).

Upon joining our team, you will explore the boundaries of your skills. You are expected to excel in every task entrusted to you by leveraging your diverse knowledge and collaborating with other Highbridgers.

You can read more about other people's working experience at High Bridge [here](#).

About The Generalist Associate Position

The Generalist Associate position is remote, and has a **4-week probing period** (unpaid). The role **can be extended to a paid position** afterwards depending on your performance. Our standard workload is **10 - 20 hours per week with a flexible schedule**.

Based on the fit between the skills needed for the specific position and your learning goals, you will have the opportunity of working in one or more of the following areas:

- **Operations:** Help run our bootcamps to ensure a smooth experience for our students
- **Content creation:** Research & create new workshop content for our bootcamp
- **Marketing:** Create marketing content for email campaigns and social media
- **Others:** Work on B2B Business Development, Data Analysis, Product Management, Case Competition Management, etc.

What we expect of you

- Excellent verbal and written English communication skills
- Versatile: Able to think out of the box and take up missions without previous experience, and are expected to rotate your missions when needed
- Adaptable to work within a global team across different time zones
- Willing to learn and open to feedback for improvement
- Data- and result-driven: Reflect upon past experiences, analyze internal and/or external data, compare them with goals and tweak/modify strategy where required for more effective results
- Agile and action-oriented: Regularly meet deadlines with discipline, able to adapt to last minute changes and manage multiple tasks with a 'get it done' attitude
